**Attachments:** Drilling Schedule\_Nov15.xls; NWIRP BETHPAGE OU2 PROGRESS UPDATE\_25Nov15\_final.docx; NWIRP BETHPAGE PROGRESS UPDATE\_25Nov15\_final.docx

Hi Henry - I finally had the chance to review the attachments. It looks like the Navy is doing a lot of work in drilling wells in the OU-2 study area. Also, the attached Progress Update documents note that the Navy is waiting for DEC to concur before beginning the Capture Zone Analysis at the BWD Plant 6. As this update was prepared 2 weeks ago, I was wondering whether DEC had concurred yet?

Thanks,  
Carol
